CABS TRIP

The CABS Transportation Route Information Program (TRIP), installed in the summer of 2008, uses GPS technology to calculate approximate arrival times of all CABS bus routes at selected bus stops throughout campus. Arrival time information is available at 13 stops on campus, and is also accessible via any internet ready device. For more information, please visit www.tp.osu.edu.

CABS East Residential Route Increases Daytime Route Frequency

Recognizing the popularity and increasing ridership on the CABS East Residential route, Transportation & Parking Services is proud to announce an increased service frequency between stops on the East Residential route during the daytime hours. This route will run M-F 6:45am – 12am year round, now with 10 minute service between the hours of 8am - 5pm, translates to a 36% frequency increase during peak hours. To view the route, please visit www.tp.osu.edu.

CXC and CX Permits Combined

The “CXC” and “CX” permits have been combined. Students interested in parking in the Buckeye Lots, located off of Ackerman Road, may now purchase the “CX” permit for the 2009-2010 academic year. The “CX” permit is eligible in “CX” spaces only 5am - 3am, and in West and Central Campus “A”, “B” “C” spaces from 4pm - 3am Monday - Friday.

Ackerman Road Complex Changes

Beginning September 1, 2009, the parking lot located just south of building 7 in the Ackerman Road Complex (which is the building on the east side of Complex), will require a Central Campus “A” or “B” parking permit. All other parking in this area will remain designated as “CX” parking through August 31, 2010. Beginning with the 2010-11 permit year, all Ackerman Road Complex parking will require a Central Campus “A”, “B” or “C” parking permit.

Pay Machines

By the end of August 2009, an additional 20 pay machines will be installed in several surface parking lots, bringing the grand total of Pay-n-Display's on campus to 43. These machines allow customers who do not have parking permits to purchase parking for a specified time and park in surface parking.

Customers insert coin or credit card into the machine and receive a temporary parking permit/receipt for the length of time paid (parking is \$1/hour at any time, a flat \$3 Monday - Friday, 6pm - 12am, and a flat \$3 on Saturday and Sunday, 12am - 12am). This permit must be displayed on the dashboard of the vehicle.

More information about the pay machine locations can be found on our web at www.tp.osu.edu/maps/campusparkingmap.pdf.
